

APPROVAL

Approval Nr.: P-S022
Date of issue: 17.06.2025
Period of validity: until 31.12.2026

QUALANOD hereby approves the heavy metal-free sealing additive of

Alufinish GmbH & Co. KG

Otto-Wolff-Straße 5-15, 56626 Andernach, Germany

Alfiseal 1960

A sample of Alfiseal 1960 has been assessed following the procedures of General Regulations V of QUALANOD. The results comply with the Specifications and General Regulations, and the Executive Committee has instructed inspectors to ensure that plants using Alfiseal 1960 do so according to the manufacturer's recommendations. QUALANOD has received a valid Technical Data Sheet for the above mentioned system.

The thermal crazing resistance test was conducted up to 80°C and no crazing was observed up to 80°C.

Matthias Krämer
Secretary General

Qualanod does not warrant or guarantee the quality of any anodized aluminium product produced using a process approved following assessment using the procedures of General Regulations V of QUALANOD. The production and warranty or guarantee of such a process is solely the responsibility of the approval holder. The QUALANOD quality label is neither a warranty nor guarantee, but a managed quality procedure to assist the licensee in achieving an anodized finish compliant with the QUALANOD Standard.
